50 is attacked by a mutated and highly intelligent cockroach-like creature called as The Infected, who wants to take the agent's spot in the game. The highly compressed version of this game was released as a DLC for the Resident Evil 5. This game is one of the few games in the Resident Evil series in which the protagonist Leon .50 does not have a surname, as he is only referred to by his designation, Leon .50. The updated version of this highly compressed game is called as Resident Evil 4 Game Of The

Year Edition with the game being sold by GOG.com. References External links Category:Action video games
